Dear Mr Del Amo,

**PETROLEUM (CONSOLIDATION) ACT 1928
ERA REPORT ON ASSESSMENT AND TESTING OF SMARTFLEX PIPE**

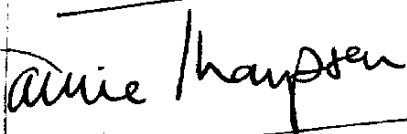

Thank you for a copy of the above report in respect of lined 63mm and 110mm Smartflex pipe manufactured by your company.

I confirm that this Authority has no objection to the use of this lined pipework system at premises licensed under the above Act within the Greater London area, subject to compliance with the arrangements in the drawings supplied by your company.

I enclose a copy of the installation requirements of the Authority.

Please inform me when your first installation in London is to be started.

Yours sincerely,

J.A.J. THOMPSON
Principal Petroleum Inspector
Fire Safety Department
